Our school strategies are on track to meet or exceed our targets

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Direct and rigorous five weekly testing cycles and student tracking
- John Munro trained reading facilitators to coach and support staff in Munro reading strategies
- Daily focused, explicit reading lessons in every classroom
- Utilized a pedagogy coach to further enhance teacher capability
- Purchased additional teacher release time to allow for quality explicit teaching and learning
